

Carnforth Businesses reopen!

The Town Council is delighted to see many of our businesses opening their doors again and bringing a bit of a buzz back to the town. It feels like a momentous re-boot, for the shops and businesses which have recently re-opened and for those they are joining whose services were never interrupted; and while it's not quite 'business as usual', they're delighted that at least it's 'open for business'.

In accordance with government guidelines, each has put measures in place to safeguard staff and customers, from the use of visors/facemasks, Perspex screens and quarantined stock areas, to providing hand-sanitisers and enabling social distancing. And, of course, when the rules are relaxed or adjusted, they will all make any necessary changes.

As lockdown restrictions are subject to change at relatively short notice, for the latest information on changes to opening hours of businesses in Carnforth, please check the Town Council's website: <https://carnforthtowncouncil.org/>.

If your business is included and you want to change details OR if your business not included and you want to be added please contact the Town Clerk, Bob Bailey by email: clerk@carnforthtowncouncil.org

Please shop local and support our businesses.
