LOW CARBON TRANSPORT PROJECTS

In parallel to the Neighbourhood Plan the Town Council has successfully been awarded grant funding to explore ideas in Carnforth around 'low-carbon' transport solutions and that might help improve walking and cycling conditions for all.

This document is entitled '*Design Standards and Practices for Walking and Cycling in Carnforth*' and is available on the Town Council website alongside the Neighbourhood Plan material. This helps support project ideas in the Neighbourhood Plan.

Please let us know if you have any comments on this.
