FINANCE & GOVERNANCE COMMITTEE

Draft Minutes of the meeting held on Wednesday 8th September 2021 at 5:15pm at Carnforth Council Offices

Present: Councillors Grisenthwaite (Chair); Branyan (Town Mayor); Jones and

Watson

In attendance: Bob Bailey, Clerk & Proper Officer

21098	Apologies: There were no apologies.	
21099	Declaration of interests and dispensations:	There were no declarations of interest or
	dispensations for items on the agenda.	

21100 Urgent Business: The following matters were considered:

1) Annual Governance and Accountability Return (AGAR) 2020/21: The Clerk was pleased to report that notice has been received from the Government appointed external auditors that on the basis of their review of the AGAR and supporting documents it was their opinion that the Town Council's accounting, final management and governance arrangements are 'in accordance with Proper Practices and there are no matters giving cause for concern that relevant legislation and regulatory requirements have not been met'.

The Clerk reported that he had brought to the auditors attention a minor error in transferring the precept received in 2019/2020 but that the year-end amount and carry forward into 2020/21 was correct. The Clerk had also provided detailed commentary on the reasons for variances between 2019/2020 and 2020/2021, given the impact of the coronavirus pandemic, and it was reported that these explanations had been fully accepted by the external auditors.

The Committee were pleased that the audit had again given reassurance that the Council is managing its finances and governance effectively. It was then **RESOLVED that the**Town Council be recommended to approve the completed AGAR for 2020/21 and that this be published, together with a 'Notice of the Conclusion of Audit', on the Council's website by 30th September 2021 as required by the legislation.

2) Hall management cover: The Clerk reported that there is currently no cover for the Carnforth Civic Hall and Crag Bank Village Hall managers when absent due to holiday leave or for any other reason.

After some discussion, it was RESOLVED that the Outdoor Maintenance Officer, who has facilities management experience and the former officer of the Crag Bank Village Hall committee be asked to provide cover at Council venues in the absence of Hall Managers – the Clerk to report to the Chair on the outcome of discussions.

- 3) Clerk's Appraisal: As the Chair is unavailable on the date scheduled for the half-yearly review of the Clerk's appraisal it was RESOLVED that this be deferred until Monday 18th October 2021 at 5:15pm.
- 4) Air Training Corps: The Clerk reported that 2246 Squadron Carnforth Air Cadets have been contacted and have confirmed that they do wish to return to Carnforth Civic Hall at the earliest opportunity but are awaiting for final permissions to be granted by the Reserve Forces' & Cadets' Association. Councillors were advised that following the lifting of restrictions a new lease has been agreed with the Reserve Forces' & Cadets' Association effective from 1st September. ACTION: Clerk to advise 2246 Squadron Carnforth Air Cadets that they may return stock and equipment back to the Civic Hall at any time and commence usage as soon as permissions have been granted by their superiors.
- 21101 Minutes: It was RESOLVED that Minutes of the last meeting held on Wednesday 11th
 August 2021 be approved.
- **21102** Actions: The Clerk & Proper Officer provided an update on the following actions assigned to this committee:

Member Induction & Training: The Clerk reported that he has previously drafted a document designed to support new Councillors but this has yet to be considered by the Committee. There is also a need to fully consider and analyse the completed Skills Audit forms completed by Councillors, which will help to inform training needs. After some comments, it was RESOLVED that the Town Council be recommended to establish a task and finish group to consider Member Induction, development and training.

iPad Costs: As requested, the Clerk has obtained costs from three additional suppliers, to that already received from Laptops Direct, for the provision of Samsung Galaxy tablets for use by Councillors on Town Council business. These range from £159 to £229 per unit – the cost per unit provided by Laptops Direct being £160. It was considered that given the additional user support provided by Laptops Direct their quotation represents best value for money although it was suggested that they be asked to match the lowest price received.

The Committee felt strongly that Council provision of such equipment is essential in supporting the role of democratically elected Councillors and supplements the IT improvements already made to protect information and develop the efficiency and effectiveness of individual Councillors and the Council as a whole.

After some discussion, it was **RESOLVED that the Town Council be recommended to** approve the provision of 12 Samsung Galaxy Tablets for use by elected Members from Laptops Direct and that they be asked to match the lowest price obtained.

Budget Monitoring & Bank Reconciliation: The Clerk & Proper Officer presented the *Bank Reconciliation Report* setting out the bank and petty cash balances as at 31st August 2021 that had been reconciled to the accounting records, totalling **£136,381.** It was considered that after five months of the financial year this represents a healthy financial position given the Council's investments and achievement so far.

The Clerk also presented the *Net Position* report for the period ending 31st August 2021. The Committee is aware that the budget for 2021/22 has been skewed due to the coronavirus pandemic and the decision to take on the stewardship of Crag Bank Village Hall which was why the Committee had already resolved to carry out a detailed review of the Council's finances at the end of September, being the mid-point of the financial year.

After some discussion, it was **RESOLVED** that the bank reconciliation and net cost position as at 31st August 2021 be noted.

Payments List: The Clerk presented the Payments List for orders and services received totalling £17, 846. The Committee noted and commented on items of approved expenditure relating to Crag Bank Village Hall and Carnforth Civic Hall including the cost for terminating the lease for the drinks machine and spend on the recent Carnforth Street Festival.

After some comments, it was **RESOLVED that the Town Council be recommended to** approve the payments list and that they note that the Finance & Governance Committee had approved the Payments list for August under delegated authority.

21105 Carnforth Street Festival: The Clerk reported that this highly successful event had been delivered for just over £5,000 which the Committee agreed was a significant achievement. The Council had incurred this expenditure with a view to some of it being reimbursed under the governments ERDF Welcome Back funding scheme managed by Lancaster City Council. An initial meeting with colleagues from the City Council has, however, highlighted that the event may not now receive the expected funding. It was reported that the Clerk has written to Lancaster City Council and a further meeting has been arranged.

After some comments it was **RESOLVED** that the success of the Carnforth Street Festival be welcomed and that the Clerk reports to the Town Council on the outcome of the meeting scheduled to discuss the Welcome Back funding.

Policies & Procedures: The Committee reviewed the Council's Reserves Policy. The Clerk reported that the policy sets out the legal requirement that all Council's - no matter what their size - have regard for the level of reserves needed for meeting estimated expenditure.

The policy provides guidance on the types of reserves and the need to carry out a financial risk assessment when determining the level of General Reserves required alongside any Earmarked Reserves that are '...generally built up over a period for specific items of expenditure to meet known or anticipated liabilities or projects'.

The Committee were asked to note that in line with best practice the policy states that 'no less than 25% of annual expenditure' will be held for General Reserves and that, through the adoption of this policy the Council will '...work towards maintaining a reserve equivalent to no more that 50% of annual expenditure' with the view that this will provide the maximum required security for unexpected calls on the Council's finances without restricting expenditure on delivering Council services and plans.

After some discussion, it was **RESOLVED** that the Town Council be recommended to adopt the Reserves Policy as presented and that this be considered when determining the Council's annual budget and required levels of reserves.

21107 Council website: The Clerk reminded Councillors that the Council had previously approved the redevelopment of the Council's website to make it more vibrant and user friendly and to ensure that it fully complied with the Web Content Accessibility requirements.

It was reported that this work is now expected to be completed in the coming weeks and the Clerk recommended that the Administrative Officer be given responsibility for maintaining the website thereafter, under the Clerk's direction, as this is within her contractual duties and provides an opportunity to take advantage of her skills. After some observations, it was RESOLVED that the Administrative Officer be given responsibility for maintaining and keeping up-to-date the Council's website, under the Clerk and Proper Officers supervision and direction.

21108 Items for next Agenda: The Committee RESOLVED that at the October meeting of the Finance & Governance Committee the Council's financial position at the mid-way point of the financial year (30th September 2021) be considered in detail and that the process for determining the annual budget for 2021/22 agreed and Committees advised.

21109 Date of next meeting: The next meeting of Finance & Governance Committee will be on Wednesday 13th October 2021 at 5:15pm. The meeting closed at 6:15pm

CARNFORTH TOWN COUNCIL

USE OF ELECTRONIC TABLETS POLICY

1. Introduction

1.1 Carnforth Town Council's general presumption for this policy is for electronic provision of information and transaction of business, to facilitate effective communication and reduce the reliance on hard copies of documents while also recognising that Councillors have different needs and requirements.

2. What Councillors can expect from Officers

- 2.1 The Council will provide a Tablet to all Councillors to use for Carnforth Town Council business.
- 2.2 A Tablet is a wireless portable computer with a touch screen. For the purposes of this policy, "equipment" relates to the Tablet and charge.
- 2.3 The Clerk & Proper Officer will provide Councillors with technical support for their Tablets if required.
- 2.4 The Council will where practicable provide a Councillor with a temporary replacement Tablet whilst fixing or replacing their original Tablet, provided that that Councillor has complied with all the requirements as outlined in paragraph 3.1

3. What Officers can expect from Councillors

- 3.1 Councillors must report immediately to the Clerk & Proper Officer any loss or damage to all or any of the equipment including if the Tablet is stolen.
- 3.2 If the equipment is lost, broken or stolen as a result of negligence by a Councillor, they will be expected to pay for the cost of replacement, which would be provided by the Council on a like for like basis.
- 3.3 If the equipment ceases to work as a result of reasonable wear and tear, or due to a fault, it will be fixed or replaced by the Council at no cost to the Councillor.
- 3.4 Councillors may only download and use Apps approved by the Council.
- 3.5 Councillors may use Bluetooth enabled devices such as a keyboard, with the Tablet, but these will not be provided or maintained by the Council.

3.6 It should be noted that non-compliance with this usage policy would be contrary to the Code of Conduct and Standing Orders relating to the use of Council resources.

4. Return and Recovery of Equipment

- 4.1 All equipment and software assigned remains the property of the Council. The Council reserves the right to require Councillors to return the equipment at any time.
- 4.2 At the point at which a Councillor's term of office is ended, all equipment issued must be returned to the Council within one week of ceasing office in the condition in which it was issued (reasonable wear and tear excepting). All the information held on the equipment will be deleted and the equipment may be re-issued.

5. <u>Email Messages</u>

- 5.1 All emails that are used to support the business of Carnforth Town Council must be sent using the @carnforthtowncouncil.org address.
- 5.2 Non-Carnforth Town Council email accounts must not be used to conduct or support Town Council business.
- 5.3 All emails must carry the official Council disclaimer which will be provided by the Clerk & Proper Officer.
- 5.4 The automatic forwarding of emails is not permitted, due to the potential sensitivity of information therein.

6. The Provision of Electronic Meeting Summonses

- 6.1 Before the Local Government (Electronic Communications) (England) Order 2015 came into force in January 2015, Councillors could receive agendas electronically; however, there was still a requirement to issue the summons to the Councillors in a paper format.
- 6.2 The Local Government (Electronic Communications) (England) Order 2015 allows Councillors to receive the summons to attend meetings in electronic form subject to receipt of written consent. This consent is given at the time of taking office.
- 6.3 In view of the Council's wish to increase electronic provision of information to facilitate the transaction of business and the use of effective communication, thereby reducing the reliance on hard copies of documents, Councillors with Council tablets will no longer receive paper copies of agendas or meeting papers in hard copy.

7. <u>Declaration Policy Compliance</u>

7.1 To confirm that a Councillor agrees to use the equipment supplied in accordance with this usage policy, he/she is requested to sign the declaration in Appendix 1 prior to the issue of the equipment.
